### **DETAILED OFFICE ACTION**

Applicant is advised that the Notice of Abandonment mailed on 30 December 2002 is vacated in view of applicants request for a Continued Prosecution Application (CPA) for the instant application, wherein the request was filed timely on 18 November 2002.

The request filed on 18 November 2002 for a Continued Prosecution Application (CPA) under 37 CFR 1.53(d) based on parent Application No. 09/488,728 is acceptable and a CPA has been established. An action on the CPA follows.

Currently, claims 13-18 are pending, and under consideration.

All rejections set forth in the last Office Action (paper No. 13) mailed on 17 May 2002 are maintained for the reasons of record as no traversal or amendment has ever been filed in response to the final Office Action, paper No. 13.

#### **Objections and Rejections under 35 U.S.C. 112:**

The following is a quotation of the first paragraph of 35 U.S.C. 112:

The specification shall contain a written description of the invention, and of the manner and process of making and using it, in such full, clear, concise, and exact terms as to enable any person skilled in the art to which it pertains, or with which it is most nearly connected, to make and use the same and shall set forth the best mode contemplated by the inventor of carrying out his invention.

Claims 13 and 14 remain rejected, and claims 15-18 are rejected under 35 U.S.C. 112, first paragraph, as containing subject matter which was not described in the specification in such a way as to enable one skilled in the art to which it pertains, or with which it is most nearly connected, to use the invention, for the reasons of record in the previous Office Actions, paper No. 8 and 13.

#### **Conclusion:**

No claim is allowed.

**Advisory Information:**

All claims are drawn to the same invention claimed in the parent application prior to the filing of this Continued Prosecution Application under 37 CFR 1.53(d) and could have been finally rejected on the grounds and art of record in the next Office action. Accordingly, **THIS ACTION IS MADE FINAL** even though it is a first action after the filing under 37 CFR 1.53(d). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
